Dear Chief Administrative Officer:

Re: 2023 Municipal Policing Billing Statement Property Count

Please find below your municipal property count that has been provided to the OPP by the Municipal Property Assessment Corporation (MPAC).

The property count data is based on the requirements defined in O. Reg. 267/14 of the Police Services Act (PSA). The counts are based upon the 2021 Assessment Roll data delivered by MPAC to municipalities for the 2022 tax year. The property counts will be used by the OPP to help determine policing costs in the 2023 Annual Billing Statements.

Municipality	Household	Commercial & Industrial	Property Count
The Municipality of Red Lake	2218	196	2414

The Household count is reflected in your 2021 Year-end Analysis Report 5 (Household count), which you receive annually from MPAC, with adjustments to exclude Canadian Force Base (CFB) counts and timeshare units. The Commercial and Industrial counts reflect properties having the designated Realty Tax Class and Realty Tax Qualifiers (RTC/RTQ). Please find the details on <http://www.opp.ca/billingmodel> (search for Property Count Description document).

Please review the count for your municipality and if you have any questions or concerns, please contact your local MPAC Account Manager, Municipal and Stakeholder Relations within 60 days from the issue date on this letter.

Any error in the 2021 year end municipal property count determined as a result of your review, will be confirmed through MPAC and your 2023 municipal billing will be adjusted for the applicable changes.
