Feeding of Wildlife

Reminder to ensure all food products/scrap, garbage, pet food, fish remnants and bird seed are properly stored to minimize wildlife encounters.

Do not use municipal garbage cans to dispose of fish remnants or any other household garbage as it can attract animals to these public areas.

There is a minimum fine of \$300 under By-Law No. 41-2015 for intentionally feeding wildlife, which includes illegal dumping of fish remnants and household waste.

In case of emergency regarding dangerous wildlife encounters call 911. If it is a non-emergency bear encounter call the Bear Wise reporting line at 1-866-514-2327.

Yard Maintenance

Thank you to all who opted to participate in allowing vegetation to grow on your property for the months of April and May to help make Red Lake a Honeybee Safe Community! The Honeybees and other pollinators are very happy!
