Request for Proposal

Project: Landscaping, Supply & Installation of Columbarium

ADDENDUM #16-2025-001

This addendum forms part of the Bid Documents and amends the original Request for Proposal issued on May 16, 2025.

Q1: Does the landscaping company we contracted to help with this project also need to be there [at the mandatory site meeting]?

A1: Only the registered proponent listed on the registration form is required to attend. That said, if you feel it would be helpful to have your subcontractor join, they are welcome to attend.
