

THE CORPORATION OF THE MUNICIPALITY OF RED LAKE

BY-LAW No. 72-2025

A BY-LAW TO ESTABLISH RATES FOR WATER AND WASTEWATER SERVICE

WHEREAS Section 10(1) of the Municipal Act, 2001, S.O. 2001, c. 25, as amended, grants a single-tier municipality the authority to provide any service or thing that the municipality considers necessary for the public; and

WHEREAS Section 10(2) of the Municipal Act, 2001, S.O. 2001, c. 25, grants a single-tier municipality the authority to pass by-laws respecting services and things that the municipality is authorized to provide under subsection (1); and

WHEREAS Section 391(1)(b) of the Municipal Act, 2001, S.O. 2001, c. 25, grants a municipality the authority to pass by-laws imposing fees or charges on any class of person for services or activities provided or done by or on behalf of it; and

NOW THEREFORE the Council of The Corporation of the Municipality of Red Lake hereby **ENACTS AS FOLLOWS:**

1. The fees and charges for water and wastewater services which are set out in the schedules listed below shall be imposed.

Schedule

- "A" Water Services
- "B" Wastewater Services
- "C" Other Fees and Charges

2. The Clerk is hereby authorized to affect any minor modifications or corrections of an administrative, numerical, grammatical, semantic or descriptive nature or kind to the By-Law and Schedules as may be necessary after passage of the By-Law. All replacement Schedule(s) shall be inscribed with "revised" and "indicate the date of revision".
3. Unless otherwise expressed to the contrary in the applicable schedules, the fees and charges set out in the said schedules are exclusive of H.S.T. and similar taxes, which, when applicable, shall be payable in addition thereto.
4. Except in the case of a written agreement which provides otherwise, interest charges shall be added to all or any portion of any fees and charges that are due and payable at the rate of 2.25 percent per month (30.61 percent per annum compounded monthly) on the first day of default, and every thirty days thereafter on all amounts owing during such time as the default continues and such interest charges shall form part of the fees or charges owing.
5. With respect to fees and charges imposed by predecessor By-Laws made by the Municipality and which remain outstanding as at the date that this By-Law comes into force and effect, except in the case of a written agreement which provides otherwise, commencing on the date that this By-Law comes into force and effect, in lieu of interest charges as prescribed in such predecessor By-Law, interest charges shall be added to such outstanding amounts at the rate of 2.25 percent per month (30.61 percent per annum compounded monthly) and every thirty days thereafter on all such amounts owing during such time as the default continues and such interest charges shall form part of the fees or charges owing.

6. A dishonored cheque processing fee in the sum of one hundred dollars (\$100.00) shall be added to the amount otherwise owing when a cheque is returned by a bank or other financial institution for reasons such as insufficient funds being available in the account upon which the cheque was drawn, and the dishonored cheque processing fee shall be deemed to be part of the fees or charges owing.
7. All unpaid fees or charges imposed by this By-Law are a debt due to the Municipality and the Municipality may take such action as it considers necessary and as permitted by law to collect the debt.
8. This By-Law shall come into force and take effect on January 1st, 2026.

READ a FIRST and SECOND TIME this 15th day of December, 2025.

GENERAL PROVISIONS

1. Water and Wastewater Services Rates will be billed quarterly and shall be paid by the due date stated in such bill, failing which the interest and other charges set out in this by-law shall be applied.
2. Where for any reason the consumption of water on premises has not been recorded, the meter fails to register or where in the opinion of the Treasurer the consumption of water has been wrongly recorded, the Municipality may apply the "Customers with Non-metered Services" fees in Schedules A and B as applicable and the owner shall be liable to pay the amount applied.
3. Water and/or Wastewater (Sewage) Accounts in arrears over 90 days may be subject to termination of water and wastewater (sewage) services. Municipality personnel shall terminate such services by turning the curb stops off. Services terminated for non-payment of accounts shall be subject to the applicable reinstatement fee, plus a security deposit in the amount of the customer's charges for the two-billing periods immediately prior to the termination of such services for both water and wastewater (sewage) services.
4. In the event that the water and/or wastewater (sewage) services have been terminated by request of the customer or by the Municipality, the customer shall continue to be subject to the distribution and infrastructure renewal fees referred to in Schedules A and B as applicable, billed quarterly.
5. Customers disregarding two (2) requests to contact Public Works Department may have services terminated by turning the curb stops off and shall be subject to reinstatement fees
